## CIRCLE OF HONOR BRICKS

**Leave your legacy as a permanent part of Washington High School  
Be a part of our "Circle of Honor"**

The "Circle of Honor" is a commemorative circle of bricks around the flagpole in front of our main school building. Leave your legacy and help continue the proud heritage of Washington High School. The "Circle of Honor" is a venture of the Washington High School Alumni Foundation.

Join us in adding your name or that of a loved one to our "Circle of Honor." Your donation will be a beautifully engraved, personalized 1/8" thick brass plaque on a brick. Each plaque contains your engraved message with up to eighteen letters per line on three lines of print for only \$60.00 each. Also available, include a logo with 12 letters per line on three lines of print for \$75.00. This is a heavy-duty product made to stand up to wear and weather. Your plaque is meant to last a lifetime!

The location of the bricks (2 x 4 x 8" pavers) was chosen for its high visibility and location as the first spot a visitor will see when visiting our school. If you wish to be a part of our "Circle of Honor," please fill out the appropriate order form below and return with a check made out to Washington High School Alumni Foundation.
